

Global Leadership Forum Application

We are delighted with your interest in the Global Leadership Forum (GLF)—a program of in-depth reflection in a community of colleagues to promote personal and professional growth.

The mission of the Global Leadership Forum is to connect and catalyze inclusive leaders to ally with communities globally.

Financial Assistance: If cost of participation in the Global Leadership Forum is a barrier, we still encourage you to apply. Payment plans and limited scholarships (maximum awards of \$1,625) are available for those in need. The amount of scholarship available depends on the need in each cohort and we are willing to work with each cohort member to address their specific financial concerns. For those who are able, paying the full tuition and fees makes it possible for others with less privilege and access to become full and participating members of our learning community. If you require financial assistance, contact team@glfglobal.org.

Commitment

Full participation by each member of the Global Leadership Forum is critical to the development of a cohort of trusting colleagues and depth of connection. You will be expected to attend all sessions and virtual attendance is available on a limited basis. If you need to miss a session due to unforeseen reasons, you are responsible to follow up with your cohort "accountabilibuddies" and/or the faculty.

I understand that the cohort certificate of completion and entry into the larger GLF Alumni Community is dependent upon participation in all activities related to the program and tuition paid in full.
